Trains ENT registrars in advanced otology at my private practice

Shortened reader Friendly CV of Dr Duane Arnold Mol

Duane matriculated in 1990 from the Glen High School. He studied medicine from 1991 – 1996 at the University of Pretoria and then specialized as an Ear, Nose and Throat Surgeon from 2000 – 2003 at the University of the Free State in Bloemfontein.

Duane is now in private practice in Alberton and focuses mainly on hearing repair surgery and nasal reconstructive surgery. He is an active member of the

Johannesburg Cochlear Implant program since 2005 and is one of the surgeons involved in 94.7 “Hear for Life” cochlea implant team.

Duane is married to Therina and they have three daughters. Duane is an accomplished musician (on the drums) and magician and was the South African General Stage Magic Champion in 2002, a title he held for 4 years.

Duane regularly performs magic for corporate functions all over South Africa and has performed at over 2000 occasions including a special show for Nelson Mandela in 1996.

Medically speaking he has three publications to date. Duane is on the faculty of the International Otology Board of the Causse Clinique in France. He is the South African representative for the LION foundation (Live International Otolaryngology Network). He was also the president of the [South African Cochlea Implant Group. \(2013-2016\)](#)

He is part time lecturer for the WITS ENT Department in Otology and also runs Cerumens courses for the department of Audiology, Speech and Hearing at WITS.
